

SME SERVICE CENTRES' "4-in-1" SEMINAR SERIES

The Government consolidated the services of the four SME Centres in October 2019 (SUCCESS of the Trade and Industry Department (TID), the SME Centre of the Hong Kong Trade Development Council (HKTDC), SME One of the Hong Kong Productivity Council (HKPC) and TecONE of the Hong Kong Science and Technology Parks Corporation (HKSTP) to provide "4-in-1" integrated services. The four Centres are co-organising two rounds of "4-in-1" seminar series in the first half of 2022 on "Government Funding Schemes" and "Exploring Mainland Market" respectively.

The seminar series on "Government Funding Schemes" will share a range of government funding schemes alongside successful case stories with a view to helping SMEs upgrade their businesses and enhance competitiveness. Together with Hong Kong Federation of Innovative Technologies and Manufacturing Industries (FITMI), Innovation and Technology Commission (ITC) and industry experts, the webinar on "Re-industrialisation is the Key to Success for "Made in HK" Brands"" will be held on 31 March 2022 to introduce the updated information and application tips of the Re-Industrialisation Funding Scheme (RFS). Successful cases would also be shared. Interested persons are welcome to register at the link below. Admission is Free.
