

Seminar on Expansion of Business Operation to **Philippines**

The recent US-China trade dispute has posed a business crisis to Hong Kong manufacturers which operate in Mainland China as they have to bear the cost from the raise tariff. Philippines, being world's third largest English speaking country with a strategic location in Asia, it is perhaps an ideal new markets for Hong Kong companies to consider relocating or expanding their manufacturing business.

Hong Kong Productivity Council (HKPC) will organize a series of seminars with the aim to offer information and useful tips on setting up manufacturing operation in Philippines. HKPC is honored to have the representatives from Consulate General of The Philippines in Hong Kong and bank sector to speak on the economic outlook and investment opportunities in Philippines.

Experts from Accountant firm and Hong Kong manufacturers operating in Philippines are also invited to speak on relevant topics.

Date: 4th April 2019, Thursday

Time: 14:30 – 17:30

(Registration will be started at 14:00)
