As COVID-19 continues to rage on, the SMEs encounter difficulties in operating businesses. Some may even face the risk of business closure. In this webinar co-organised by SUCCESS and the Federation of Hong Kong Industries, a corporate governance expert will explain the impact of COVID-19 to the enterprises and how to improve cash flow in business operation. The speaker will also share the tips of doing business under the pandemic by illustrating some real-life examples, with a view to assisting enterprises to combat the headwind and prepare for the future.
