The rapid development of the Guangdong-Hong Kong-Macao Greater Bay Area (GBA) in recent years attracted more and more Hong Kong youth to start their own business in the GBA. The Government has rolled out “Funding Scheme for Youth Entrepreneurship in the Guangdong-Hong Kong-Macao Greater Bay Area” and “Funding Scheme for Experiential Programmes at Innovation and Entrepreneurial Bases in the Guangdong-Hong Kong-Macao Greater Bay Area”, with a view to providing start-up assistance to the youth who would like to start their business in Hong Kong and the cities in the GBA. The schemes will also enrich the youth’s understanding of the innovation and entrepreneurial bases in the cities in the GBA and the relevant policies. In this seminar, representatives from the organisations providing entrepreneurial services will introduce the schemes and answer some frequently asked questions.
