The SME Export Marketing Fund (EMF) aims to encourage enterprises to expand their business by providing financial assistance for their participation in promotion activities. For a period of two years starting from 30 April 2021, the funding scope of EMF is expanded to cover large-scale exhibitions targeting the local market as well as online exhibitions, and the eligibility criteria is relaxed to cover non-SMEs. In this seminar, a representative from the Trade and Industry Department will introduce EMF, its latest enhancements, and answer some frequently asked questions.
