In response to the challenging economic environment, various Government funding schemes provide support to SMEs in different aspects, including exploring markets and application of technology for business transformation, etc. "SME ReachOut", a dedicated team which has commenced operation since January last year, aims to help SMEs identify suitable funding schemes and answer questions relating to applications. Representative from the Team will give an overview of major Government funding schemes and their enhancements measures, and answer frequently asked questions.

This seminar is one of the seminars under the SME Service Centers' "4-in-1" Seminar Series. For details, please press [here](#).
