The National 14th Five-Year Plan created tremendous opportunities. Together with the rapid development of the Guangdong-Hong Kong-Macao Greater Bay Area, cross-border commercial activities have been intensified and certain commercial disputes have also arisen as a result. In this webinar, mediation experts will share some common cross-border disputes, including intellectual property disputes, commercial disputes and labour disputes. The speakers will also explain how to resolve cross-border commercial disputes under different legal systems, share some tips and actual cases, as well as answer frequently asked questions.
