In view of the COVID-19 pandemic and the fast-changing business environment, an effective business model is the key to success for enterprises. In this seminar, experts will share the tips to success of the 100 fastest growing companies in the world. They would also explore from the angle of corporate management and coaching how SMEs could operate their businesses sustainably and even expand their operations with exponential business model in this challenging moment. Speakers would answer some frequently asked questions as well.
