Under the pandemic, it is vital for the enterprises to maintain stable cash flow in order to survive the economic turbulence. In this webinar co-organised by SUCCESS and Hong Kong Credit and Collection Management Association, an expert speaker will explain how the current business and economic environment is affecting credit management, and the implication of credit granting to companies. The speaker will also share how to establish effective risk management measures in the short, medium and long term, rationalise credit limits exposure and utilisation, and apply risk mitigation measures, with a view to assisting enterprises to make wise credit decisions.
