With the complicated international situation, rising inflation, tightening monetary policy, and persisting pandemic, the economic and trade performance of Hong Kong and many other economies are greatly affected, the credit risk faced by exporters has also increased. In this webinar, expert will share an insight on Hong Kong’s 2022 mid-year export performance. A representative from the Hong Kong Export Credit Insurance Corporation is also invited to introduce their services and supportive measures provided to exporters, and answer some frequently asked questions, with a view to assisting enterprises to seize the business opportunities and expand business.
