In the face of changing business environment, how can SMEs deal with various challenges in the labour market? In this seminar, human resources and people development expert will explain Sustainable Development Goals (SDGs)-focused human resources solutions, covering topics on establishing organisational resilience, leveraging Artificial Intelligence (AI) for talent management, integrating local and foreign work culture, and promoting Diversity, Equity and Inclusion (DEI) in the workplace. This seminar will also share real-life case studies, with a view to assisting SMEs in building strong corporate culture and achieving sustainable growth.
