How should e-commerce operators avoid falling into intellectual property (IP) traps? In this seminar, IP experts will explain the rights and responsibilities of e-commerce operators, as well as points-to-note for e-commerce stores in area such as customer service, promotion and data management. The seminar will also discuss the legal disputes regarding e-commerce complaints, personal information and live-streaming. Furthermore, the experts will share the IP protection for brands and original works, using cases from the fashion, furniture, and jewelry sectors, with a view to assisting SMEs in properly handling IP disputes on e-commerce platforms.
