SME Seminar

"Technology Voucher Programme"

The Innovation and Technology Commission launched the Technology Voucher Programme (TVP) in November 2016, aiming to subsidise SMEs in using technological services and solutions to improve productivity, or upgrade or transform their business processes. With effect from 28 February 2018, the eligibility of the Technology Voucher Programme has been relaxed to cover all local non-listed enterprises. At this seminar, representative of the Innovation and Technology Commission (ITC) will introduce the details of the TVP, including the relaxed eligibility criteria, funding scope, procurement procedures and assessment criteria.
