

## Seminar

### Happiness Leadership: How to Overcome “Information Overflow” in Workplace and Make Your Staff Happier at Work?

In this internet economy, the situation of “Information overflow” such as excessive emails and virtual meetings is damaging team members’ job satisfaction and happiness.

Large corporations such as Apple, Ford and Intel treat time as a limited resource and adopt new strategies to help staff on this.

We will share how to apply new rules to teamwork to free up time for a happier workforce.
