

Use of "LeaveHomeSafe" mobile app before entering Trade and Industry Department premises

Starting from 1 November 2021, all government employees and members of the public will be required to use the "LeaveHomeSafe" mobile app before entering government buildings or offices.

Visitors of the Trade and Industry Department (TID) will be required to scan the "LeaveHomeSafe" QR code before entering the TID premises, except for exempted persons. For application for exemption from the requirement of using the app, visitors should visit the Information Counter on 1/F of Trade and Industry Tower for further processing. To fight the epidemic together, we appeal for visitors' co-operation with the instructions given by the staff on site.

For enquiries, please call the departmental enquiry hotline [2398 5649](tel:23985649).
